

A Woman (Armani's Mix) *(Temika Moore © 2005 Pink Panna Music/ASCAP)*

Chorus:

Nothing like the strength of a woman
Nothing like the strength of a woman
Nothing like the strength of a woman
Nothing like the strength of a woman

Verse:

She's only 17, barely seen a thing
And now she's got a baby on her hip
She lacks the education, but has the motivation
To make the very best of it

So, she walks out and leaves mama's house
Finds a job, for baby and the bills
But she don't know, life don't always go
According to plan and a will

But she has the power, in the midnight hour
To keep her faithful on the trip
The strength of a woman to endure
Is her greatest asset

Chorus:

Nothing like the strength of a woman
Nothing like the strength of a woman
Nothing like the strength of a woman
Nothing like the strength of a woman

Verse:

She's a strong sista, won't hesitate to let ya
Know where to get off and how
All her life she's been teased
That her fuller hips need, some toning down

But if it wasn't for mama's talks and more
To help her get through
Self-esteem was low
But she'd always know the realities of her hue

Some say her attitude is a little rude
But if they understood why
They'd know she's built up a wall
To deal with it all, and this is why...there's

Repeat Chorus
