

Can't Give No Mo' (Temika Moore ©2002 ASCAP)

Verse:

We all start out on a journey
To achieve all that we dream
A force in us that drives our needs
Whether it be a dream unfulfilled
A love turned ill, sometimes things happen, as they will

Chorus:

What do you do you when you (**can't give no mo'?**)
What do you do when it's (**worth fighting fo'?**)
What do you do when you (**can't give no mo'?**)
Keep pressin' (**there's a blessin' in store-for you**)

Verse:

Can't keep sittin' around playin' a fool
Tired of excuses, and sick of untruths
Spirit's too young, yet too old for games
Lessons learned and wisdom gained
Stay not a minute longer where your soul is chained

Chorus:

What do you do you when you (**can't give no mo'?**)
What do you do when it's (**worth fighting fo'?**)
What do you do when you (**can't give no mo'?**)
Keep pressin' (**there's a blessin' in store-for you**)

Bridge

We all come to (crossroads)
Where we must choose
Love 'em, leave 'em and start anew
(Persevere or quit in fear)ooooh
No light at the end of the tunnel
The threat of not succeeding can make a spirit humble

With (desires in your soul, thoughts on your mind)
(Don't torture yourself) if things don't happen in your time

With (desires in your soul, thoughts on your mind)
(Don't torture yourself) if things don't happen in your time

Chorus

What do you do you when you (**can't give no mo'?**)
What do you do when it's (**worth fighting fo'?**)
What do you do when you (**can't give no mo'?**)
Keep pressin' (**there's a blessin' in store-for you**)
