Chorus Intro:

Where is your faith?

Why is it gone?

It's been away for much too long

It's not his will for you to be down

Have hope life will turn around

Verse:

You've been down for so long

Is it a dream unfulfilled that stole your song

Was it family that broke your back?

Depending and spending, and taking up folks slack

Chorus:

Where is your faith?

Why is it gone?

It's been away for much too long

It's not his will for you to be down

Have hope life will turn around

(repeat chorus)

Verse:

Overwhelmed by the road you're travelin'

You see your laid out plans they are unravelin'

Should be at peace with all you've done

Achieved more than most, yet still have a long way to r

Chorus:

Where is your faith?

Why is it gone?

It's been away for much too long

It's not his will for you to be down

Have hope life will turn around

(repeat chorus)

Bridge:

You must learn to enjoy the fruits of your labor

For they'll come a time when you're no longer able

So, I say my child take heart and know you're more  
than a conqueror, I ask you.....

Chorus:

Where is your faith?

Why is it gone?

It's been away for much too long

It's not his will for you to be down

Have hope life will turn around (repeat)
