

Doing Just Fine (Temika Moore © 2005 Pink Panna Music/ASCAP)

Chorus:

I never wondered who you were
I never longed for you
So many years have gone by
I'm doing just fine, without you
Doing fine with you

Verse:

Life's been good indeed
And I never had a need
To wonder why you walked out on me

Because I was loved
From the day I was born,
I was loved, and so cared for
And this is why...

Chorus:

I never wondered who you were
I never longed for you
So many years have gone by
I'm doing just fine, without you
Doing fine with you

Verse:

I don't know your reasons
Why you felt you had to leave us
You're missin' feelin's' that should've existed

Thank god I was loved
From the day I was born,
Nothing but loved, didn't need much more
And this is why...

Bridge:

You made a choice when you chose to leave me behind
I guess it was all right in your mind, at the time
Now that I'm grown, on my own
There's nothing you can provide
I'm doing just fine.

Repeat Chorus
