Lyrics, Melody, Lead Vocal and Background Arrangement Written by Temika Moore (ASCAP)

Instrumentation Arranged by Chris O'Brien Howden (BMI)

Chorus

I wish I knew back then  
What I know right now  
Woulda been  
Shoulda been  
Coulda been...betta

Repeat Chorus

Verse:

As I look at my life  
And see where I've gone  
I see the things that I've done right  
And everything that I've done wrong (so sorry)  
I see the God in me  
I know he's in everything  
I can't help feeling this way  
But my eyes are open (so glad they're open)  
All I can say

Chorus

I wish I knew back then  
What I know right now  
Woulda been  
Shoulda been  
Coulda been...betta

Repeat Chorus

Verse:

Now, I don't wanna complain  
For the things I've been through  
I know that I've been changed  
But when you know better, you do

Better it's true  
I know I can't turn back time  
Not a second even if I tried  
I can't help feeling this way  
But my eyes are open (so glad they're open)  
All I can say

Repeat Chorus

Bridge

I know what's real  
And I know what's not  
I hear when he speaks  
I Ask - Seek - Knock  
All I can say is  
No more regrets  
I'm gonna do my best  
And live like never before

Vamp

Now, I've got to  
Live more  
Give more  
Everywhere where I go  
I've got to  
Love more  
Give thanks above more  
Now that I know

Repeat
