

I'm Not Ok

Verse:

I don't wanna pretend
I don't wanna play games
Can't lie to myself not one more day

Been tryin' to deal with some things
That's hard to talk about
I'm going thru some changes
And I'm havin' my doubts

Been there for everyone else
Now I'm going through
Can't solve your problems
Tonight just gonna have to get used
To me not bein' around

Chorus:

I'm not ok, I'm not doing fine
So many things going on in my life
I'm not ok, I'm not doing fine
Can't smile and give another obligatory line

Repeat ½ chorus

Verse:

I'm not perfect
And yes I cry
But understanding is in short supply

So I get dressed, put my face on
And play my part
Handle my business
All with a heavy heart

Here's the tough thing 'bout it all
I'm still prayin', still goin' to church
And yet I fall
Telling me that could still happen
Now, that I don't recall

Chorus:

I'm not ok, I'm not doing fine
So many things going on in my life
I'm not ok, I'm not doing fine
Can't smile and give another obligatory line

Repeat ½ chorus

Bridge:

When you're the rock for everyone else
You put your problems on the shelf
Place 'em far away
For another day
And then you take a breath
Keep it movin' that's as good as it gets
But I know inside

Chorus:

I'm not ok, I'm not doing fine
So many things going on in my life
I'm not ok, I'm not doing fine
Can't smile and give another obligatory line

Repeat Full Chorus
