Verse:

I knew right from the start
You really touched my heart
You see things others ignore
You see the good in me
And so much more

Hook:

Now is it really this simple to love?

Verse:

Now I share things with you
Things known only by a few
My secrets, my dreams, my fears
You never judge me
You just wipe my tears

Hook:

Now is it really this simple to love?

Verse:

You're beautiful inside and out
Everything I ever dreamed about
My expectations you exceeded
You are air for me
Everything and more than I thought I needed

Hook:

Now is it really this simple to love?

Bridge:

You make it easy to breathe
I don't have to be
Someone other than me

Where were you were long ago
When I was feeling so low
Well it doesn't matter now
Don't know the why and how
I'm just glad you found me

Hook (modulation):

Now is it really this simple to love?
Tell me is it really?
Is it really?
Is it simple to love?

Is it really this simple to love?

Verse:

I know life's about change
And if this ended all today
Or time moved us far away
I'd be hoping we'd find each other again

Hook:

Now, is it really this simple to love?
