

Light as a Feather (*Temika Moore* © 2005 *Pink Panna Music/ASCAP*)

Verse:

I'm light as a feather
Nothing can hold me down
I can go where I please
There's no peace like I have now

I'm light as a feather
No worries on my mind
I'm working on self-preservation
And don't have the time

I'm light as a feather
Don't worry about me
Got my faith in my pocket
And I'm on the road to prosperity

Chorus:

I'm light as a feather
I'm light as a feather
I'm light as a feather
I'm light as a feather

Verse:

I'm light as a feather
Won't spend all my days
Having regrets about
Decisions that I've made

I'm light as a feather
Life is beautiful
When you choose to live
in truth, and in purpose

I'm light as a feather
Don't worry about me
Got my faith in my pocket
And I'm on the road to prosperity

Chorus:

I'm light as a feather
I'm light as a feather
I'm light as a feather
I'm light as a feather

Pivot:

I'm light----as a feather
I'm free-----just as light as a feather

Verse:

I'm light as a feather
Nothing can hold me down
I can go where I please
There's no peace like I have now

I'm light as a feather
No worries on my mind
I'm working on self-preservation
And don't have the time

I'm light as a feather
Don't worry about me
Got my faith in my pocket
And I'm on the road to prosperity
