

Peace of Mind (Temika Moore ©2002 Pink Panna Music Publishing/ASCAP)

Verse: In a world where money rules time
And I scramble to find
A way to make it, a way to make it

When I look out at the sun
And I see what's become
Of my world, of my world
(All I can say is)

Chorus: I'm glad, I found peace of mind
I'm so glad; nobody can take what's mine

Verse: I used to look for someone
To fill my needs, and then some
But that was long ago, but that was long ago

I realized that couldn't be
Until I learned to love and cherish me
And now I do, and now I do
(All I can say is)

Chorus: I'm glad, I found peace of mind
I'm so glad; nobody can take what's mine
Repeat

Bridge: For so long, I haven't lived my life
Following paths that others felt was right
But one day I broke down, couldn't do it no more
The struggles of not knowing what I was put here for
At the point of losing my soul
I stopped took a breath and took control!

Pivot: No longer, will I look for others to validate me
It's my life and I know what I want it to be
(All I can say is)

Chorus: I'm glad, I found peace of mind
I'm so glad; nobody can take what's mine
Repeat
