Written by Temika Moore (ASCAP)/Published by Pink Panna Music Publishing (ASCAP)

Based on Psalms 51

Verse:

Wisdom came in a dream
As Psalms 51:15
I'm listening
Jesus, Jesus

You told me you need honesty
So you let life break me
Oh, Oh, Oh
Jesus, Jesus

Lord please have mercy
I recognize I'm guilty
Help me
Jesus, Jesus

Chorus:

Unseal my lips so I say, OH
Unseal my lips so I say, OH
Unseal my lips so I say, OH
Unseal my lips so I say

Verse:

My wrongs are against only you
But when I sin I hurt two
Forgive me
Jesus, Jesus

Lord I plead return to me
The joy I had initially
I need
Jesus, Jesus

A clean heart create in me

So I'll show you loyalty
Thank you for
Jesus, Jesus

Chorus:

Unseal my lips so I say, OH
Unseal my lips so I say, OH
Unseal my lips so I say, OH
Unseal my lips so I say

Bridge:

Every day of life is counted
In your grace and mercy I'm surrounded
You are the beginning and the end
You are sovereign

Chorus:

Unseal my lips so I say, OH
Unseal my lips so I say, OH
Unseal my lips so I say, OH
Unseal my lips so I say

Verse:

A broken and contrite heart
Is all I have to start over
Jesus, Jesus

Chorus:

Unseal my lips so I say, OH
Unseal my lips so I say, OH
Unseal my lips so I say, OH
Unseal my lips so I say
