Lyrics, Melody, Lead and Background Vocal Arrangement Written by Temika Moore (ASCAP)

Verse:

If I burned a bridge
That's not what I meant do
If I broke some hearts
I didn't mean that too
I believed the myth
And now there's some things
I have to come to terms with

Verse:

I don't know who I am anymore
I don't know what I'm fighting for
Things that once were are no more
Sometimes I wish I could go back
To being a little girl
When life was simple
And I didn't know the world

Bridge:

Before I knew pain, before I knew fear
Before I knew sin, before I lost my innocence
Life was simple then
I'm broken for sure
My heart and my head at war
So I realize with everything I've tried
Nothing fills the void inside

Pivot:

So I'm done tryin'
I'm done denyin'

Hook:

I've come to the end of me

I've come
 (I've been around back again)
To the end of me
 (And now I've come to the end)
I've come
 (I've been around back again)

To the end of me
(And now I've come to the end)

I've come
(I've been around back again)
To the end of me
(And now I've come to the end)

I've come
(I've been around and back again)
To the end of me
(And now I've come to the end)

I've come to the end of me (repeat)
