

The World Don't Revolve Around You (*Temika Moore* © 2002 ASCAP)

Verse:

When I pass you and speak
You can be cordial at least
Folks ain't got time for your attitude
Cause your retaining water and you're in a mood

Verse:

Sista, I understand your pain, (I really do)
But, please don't use that excuse
Being rude ain't part of the answer
To those monthly blues
Sista, I tell ya

Chorus:

The world don't revolve around you
The world don't revolve around you
The world don't revolve around you
The world don't revolve around you

Verse:

You're caught up in the hustle
Amongst crabs in the barrel
With no consideration for anyone
You walk on others to get the job done

Verse:

Honey, I understand your fear (I really do)
But, please don't use that excuse
Helping another while you're on the way up
Is what you're supposed to do
Honey, I tell ya

Chorus:

The world don't revolve around you
The world don't revolve around you
The world don't revolve around you
The world don't revolve around you

Bridge:

The world don't move (the world don't move----)
Cause you say to
The World don't do (the world don't do)
Cause you want it to (cause you want it to)

The world don't move (the world don't move----)

Cause you say to (cause you say to)
The World don't do (the world don't do)
The world don't revolve around you

Chorus:

The world don't revolve around you
The world don't revolve around you
The world don't revolve around you
The world don't revolve around you

Verse:

You won't face the issues in your life
Instead, you cheat on your wife
Storin' up honey's just in case
Brotha, don't get it twisted, you can be replaced
Brotha, I tell ya,

Repeat Bridge

Pivot

The world don't stop
It don't revolve around you (repeat 3x)
